THE BASIC ACTIONS: Handball Skills

PASSING: moving the ball between teammates.

There are different ways to pass the ball: jump pass, shoulder pass, low pass, bounce pass, underhand pass, etc.

SHOOTING: throwing the ball at the goal.

There are different ways to shoot the ball: jump shot, set shot, bounce shot, etc.

DRIBBLING: bouncing the ball while keeping possession. It allows the player to move forward with the ball.

RECEIVING AND HANDLING THE BALL: it is when a team mate passes you the ball and you control it. It's important to get a **good grip** on the ball so that it does not fall out of your hand.

GET OPEN: When the attacking players try to get away from the defenders to receive the ball.

DEFENDING or BLOCKING: stopping the ball and/or stopping the attacking player from scoring.
